

## MACHINE & METALWARE: apprentices

APPRENTICES	2005	2006	2007	06/05	07/06
MACHINE & METALWARE	6.142	6.227	6.506	1,4	4,5

Total industry	15.355	15.364	16.098	0,1	4,8
----------------	--------	--------	--------	-----	-----

Source: WKÖ, incl. combined apprenticeships

Frequent apprenticeships 2007	Number of apprentices
Mechanical engineer	1.544
Operator of metal cutting machine tools	510
Toolmaker/Technician	378
Metal technician - Metal worker	356
Mechatronics technician	335
Metal technician - Steel constructions	305
Manufacturing technician	292
Technician for electrical installations	256
Office clerk	198
Engineering technician	196
Industrial clerk	185
Electrical technician	165
Machinery mechanic	127
Tool mechanic	118
Machine tool technician	97
Frequent combined apprenticeships 2007	Number of apprentices
Electrical technician & Mechanical engineer	55
Toolmaker/Technician & Plastics moulder	27
Process control technician & Electrical technician	22
Electrical technician & Mechatronics technician	12
Draftsman & Mechanical engineer	12
Sanitary/air-conditioning technician & Gas/water fitter	9
Sanitary/air-conditioning technician & Heating fitter	
Mechanical engineer & Operator of metal cutting machine tools	8
Toolmaker/Technician & Metal designer/metal spinner	8
Mechanical engineer & Draftsman	6
Draftsman & Metal technician/metal worker	6
